

Active Gunman: Patrol Officer Emergency Response (4-day)

Hosted By: Common Task Tactical Training, Inc.

Presented By: Common Task Tactical Training, Inc.

Hours: 40 /0800-1800

Prerequisites: Open to Law Enforcement and Military ONLY. Students must provide proof of Police employment or Military membership at time of registration.

Description:

This four day course focuses on those skills necessary to train a *patrol* officer in the most common concepts and skill sets needed by patrol officers to save lives in situations involving an active shooting suspect(s) when SWAT trained officers are not available.

The student will be introduced to fundamentals and principles of process, methodology, tactics, command and control, through classroom as well as, extensive situational training and realistic, practical exercises. The student will learn to combine immediate resources and available manpower to prevent further loss of life and resolve active threat situations where no other options are readily available.

Active Gunman: Patrol Officer Emergency Response is *not* intended to be used in lieu of a SWAT team, or SWAT training. It is not intended to resolve any type of critical incident other than an *immediate*, life-threatening crisis.

Class size is limited. Additional classes will be scheduled on a quarterly basis.
